This project will replace, repair and upgrade failing roofs across the state. The King Salmon office and dormitory roof replacement is the first project, followed by numerous smaller projects as funding is available. The existing King Salmon roof is inadequately insulated and over 20 years old, is failing, and estimates are approximately \$500,000 for replacement of this one roof.

Project Description/Justification:

In addition to the first priority (King Salmon) listed above, ADF&G has a variety of existing facilities with many different types of roofs across the State. These facilities are of differing types and styles, and many are old, but all are integral and utilized regularly. Examples of other locations with known smaller requirements that will follow after the King Salmon project is completed are: Dillingham bunkhouse, Kodiak bunkhouse, Rabbit Creek Range facilities, Cold Bay housing and McGrath housing. Other projects may be added or substituted as funds or needs allow.
