Anchorage - Northern Lights Boulevard Pedestrian Safety - Lois Drive West to Captain Cook Estates Circle

State Funding Requested: \$920,000**House District:** Anchorage Areawide (17-32)

One-Time Need

Brief Project Description:

This project will construct a missing pedestrian facility on the south side of Northern Lights Boulevard that serves a bus stop. This portion of Northern Lights Boulevard is state-owned.

Funding Plan:**Total Cost of Project:** \$1,070,000

State Funds	\$150,000	2008				
Total	\$150,000					

Detailed Project Description and Justification:

This request is expected to fully fund the project for construction in 2011. This north side link will connect existing sidewalks on both ends and tie a residential and commercial area together. Currently, significant pedestrian and bicycle use occurs along a high speed arterial route. The area of use has never been constructed for this use and separation is minimal from traffic. This is the No. 1 priority of the Turnagain Community Council for state-owned routes.

Design, funded with a 2008 state grant, is underway.

Project Timeline:

Design and construction expenditures are expected to occur in 2010 and 2011.
