Project Development:	0	0
Ongoing Operating:	0	0
One-Time Startup:	0	
Totals:	0	0

Additional Information / Prior Funding History:

See deferred maintenance appropriation.

Project Description/Justification:

The Juneau Armory's current security card reader system can no longer be maintained as the product is out-of-date and no longer manufactured. The weapons storage vaults need to be upgraded to current standards. Repair and replacement of the hangar door and its hardware is required to prevent risk of damage to the aviation assets.

Priorities and cost estimates may need to be changed to accommodate emergency maintenance projects not listed, actual project costs, and other considerations.

Project Titles	Federal Receipts	GF	G/F Match	Project Description
Bldg 02B41-0001 – replace security card reader	\$187,500	\$25,000	\$162,000	Replace security access system, maintenance is no longer possible as product is discontinued;
