Project Description

Principal's Priority

1

Lake Hood Elementary is requesting grant funding for an additional 30 interactive display devices. These devices may include SMART boards, Promethean boards, interactive projectors, or other interactive display technology as allowed for on the ASD approved technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

Benefits to students and teachers: Teachers will have access to interactive technology to engage students in their learning to eliminate the achievement gap with our diverse student population. That resources will be managed effectively and efficiently to allow for the greatest impact on our students.
