Project Description

Principal's Priority 3

Kasuun Elementary is requesting grant funding for an additional 30 computers and 6 interactive display technologies. The computers may include either desktop, laptop, and netbooks. The interactive display devices may include SMART boards, Promethean boards, interactive projectors, or other interactive display technology as allowed for on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

By enabling our teacher to present real world applications and instructing to their students in an ever changing world these items will allow our students to integrate more effectively in middle school and high school. In so doing they will be prepared to meet the every changing world and how technology is shaping not only our lives, but the economical aspects of the world.

Impacts if Project is not Funded
