Project Description

Principal's Priority

1

Alaska Native Cultural Charter School is requesting grant funding for various classroom based technology. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment. This will include interactive display technology and coordination and networking. This technology may include, but is not limited to:

- ☐ printers
- ☐ classroom response systems (clickers)
- ☐ cameras
- ☐ document cameras
- ☐ projectors
- ☐ sound systems
- ☐ replacement projector bulbs
- ☐ replacement batteries,
- ☐ video production equipment
- ☐ gps devices
- ☐ science instruments / probes

Benefits if Project is Funded

The benefits of this project are numerous. Updated technology will allow our students to interact with village students and elders as well as conduct research. We will provide students with better academic opportunities increased communication with other indigenous communities, improved communication with families, and strengthened career readiness skills. Without this project we will continue to use old Apple computers with no opportunities to connect our students.

Impacts if Project is not Funded

of Students impacted by project 225

Project Start Year 2012

Project Finish Year 2013

Project has matching funds are available **No**

Project has prior state funding available **No**

Project has federal funding available **No**

Project has had a public review proces **Yes**
