Kasilof Regional Historical Association - Community of Kasilof - Cabin Restoration

State Funding Requested: \$38,000
One-Time Need

House District: Kenai Areawide (33-35)**Brief Project Description:**

The Kasilof Regional Historical Association is currently in the process of restoring several historic buildings that were originally constructed in the local area between 1890 and 1940. The purpose of the restoration of the structures is for preservation and public display. Kasilof Priority #2.

Funding Plan:

Total Project Cost:	\$62,736
Funding Already Secured:	(\$24,736)
FY2013 State Funding Request:	<u>(\$38,000)</u>
Project Deficit:	\$0

Funding Details:

The \$38,000 requested in this grant is sufficient to accomplish foreseeable work required on the historic buildings that we currently own. As most of our labor is performed by volunteers, we are able to accomplish a great deal with limited amounts of money.

Detailed Project Description and Justification:

The Kasilof Regional Historical Association is currently in the process of restoring several historic buildings that were originally constructed in the local area between 1890 and 1940. The purpose of the restoration of the structures is for preservation and public display. Grant money would be used for materials and labor for restoring the buildings.

The Kasilof Regional Historical Association currently has eight historic buildings on its museum site. All of our buildings are stabilized but all require additional restoration work. The types of work includes the repair and replacement of windows, doors, flooring, interior finishes, roofing and wiring. Some of the buildings require structural additions to allow for safe public access into the buildings. Our mission includes not only the preservation of important artifacts of local history for future generations but also the presentation and sharing of the artifacts with our residents, school children and visitors.

Project Timeline:

The Kasilof Regional Historical Association is an all-volunteer organization. We move relatively slowly, as the Board prioritizes projects and board members have the time to plan and implement the projects. We expect the expenditure of this grant money to take us three to four years.

How did the Community select this project as a funding priority?

This project was selected by popular vote from a list of five projects proposed at a community meeting on October 13, 2011.

If a Community Meeting was conducted, how was it advertised? When and where was it held? Who attended?

The Kenai Peninsula Borough sponsored a meeting on October 13, 2011. It was advertised in the Peninsula Clarion Newspaper on October 6 and 13, 2011. Notices were also posted in various locations throughout the community. It was attended by members of the community, Assembly Representative Brent Johnson, and KPB Staff.

Who owns the property and what is the status of the land for the project?

The Kasilof Regional Historical Association owns the property on which the historic buildings are located.

Who will own the project or facility?

The Kasilof Regional Historical Association.

Entity responsible for ongoing operation and maintenance of this project:

The Kasilof Regional Historical Association.

How will operations and maintenance be funded after the project is complete?

The Kasilof Regional Historical Association has been incorporated since 1996. Operation and maintenance expenses have been kept to a minimum and have been funded over that time by a combination of local fundraising and grants. We expect to continue in the same fashion.
