Amount of Funding Requested \$40,000.00

Total Funding to complete project \$40,000.00

Primary House District: 24 **Secondary House District(s):** 23

Primary Senate District: L **Secondary Senate District(s):**

Project Description

Principal's Priority 1

Support all core content areas, as well as project-based learning, with the continued integration of technology (software and equipment) such as: audio-recording equipment, digital storytelling equipment, mobile laptop lab with storage cart, mobile devices, color printer, software correlated with district initiatives and Grade Level Expectations. Please note that this grant request compliments the current, ongoing fundraising endeavors of our PTA, who work diligently toward funding technology integration throughout the school.

Benefits if Project is Funded

This grant will allow more students to access and benefit from 21st Century learning by providing teachers with the ability to access and use technology daily in their classrooms (as opposed to weekly computer lab time). This technology will be supported through our active technology committee and district specialists so that more students will benefit from this integration on a daily basis.

Impacts if Project is not Funded

of Students impacted by project 510

Project Start Year 2012

Project Finish Year 2013
