Project Description

Principal's Priority

1

Scenic Park Elementary School is requesting grant funding for an additional 6 interactive display devices. These devices may include SMART boards, Promethean boards, interactive projectors, or other interactive display technology as allowed for on the ASD approved technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

In schools using interactive boards, students have reported improvements motivation. They have proven effective in terms of learning gains and are essential for the learning outcomes of the 21 century to be achieved. Teachers and students in many other schools use these daily. It make it difficult for our teachers recruiting when they must go backwards with technology. Students should have equal opportunities at all of our schools.

Impacts if Project is not Funded

of Students impacted by project 400

Project Start Year 2012

Project Finish Year 2013
