---

**Project Description**

**Principal's Priority**                      1

Remove existing closets, rotating doors to two different classrooms, and all equipment and cabinets in existing darkroom. Install new cabinets and countertop with sinks and furnish room with a large conference table. Room will be used as a seminar teaching space and a large conference room.

**Benefits if Project is Funded**

This project will take an unused portion of our building and create a teaching and meeting space for the entire building,

**Impacts if Project is not Funded**

Student and peer teachers will continue to utilize air locks in the building for seminar sessions. Students deserve a better learning environment

**# of Students impacted by project**                      300

**Project Start Year**                      2012
