Project Description

Principal's Priority

1

Turnagain Elementary is requesting grant funding for additional technology devices. These devices may include ipod, ipads, or other tablet devices that are already sanctioned on the ASD Approved Technology list. Purchase of interactive, portable hardware for teachers to support classroom productivity and Response to Instruction initiative. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

If completed, this project will increase student achievement by adding support for teachers in delivering instruction, monitoring student progress and communicating with parents. If this project is not completed teachers will continue to have challenges in using technology to meet the growing needs of the twenty-first century classrooms.

Impacts if Project is not Funded
