Project Description

Principal's Priority 5

Romig Middle School is requesting grant funding for 60 computers and two mobile carts to house the computers. These computers may include either desktop, laptop, or netbooks as allowed for on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

If the project is completed, teachers will be able to continue to provide instruction that utilizes technology while RTI assessments and instruction is taking place in the computer labs.

Impacts if Project is not Funded

If not completed, teachers will have to dramatically reduce the amount of daily instruction that integrates the use of technology.
