**Project Description**      **Principal's Priority**      1

Remove grass from existing playing field and replace with artificial turf for Football, Soccer, Baseball and Softball. Bartlett High School has the land necessary to create a true multi-use field that can be used by all of Anchorage. This grant will also include funding for football goal posts and fencing to protect the turf investment.

**Benefits if Project is Funded**

Completion of this project will provide students and community with expanded opportunities to participate in sports and activities at a much higher level. The benefits of completion are a safer field of play for all level competitions and a sense of school pride. It will be a positive addition to the community and to the school.

**Impacts if Project is not Funded**

If the project is not funded we will continue to hope for other opportunities to arise in the future.
