Detailed Project Description and Justification:

Hospice of the Central Peninsula serves an average of 7-8 families per day (open/hours M-T 10-4pm) accessing our durable medical equipment loan closet. Items such as wheelchairs, electric hospital beds, walkers, bedside tables, bedside commodes, shower chairs, shower transfer chairs, crutches, and other items that we offer serve a great need in our local area.

Our population is aging, and we recognize our services are appreciated as we help with those immediate needs of equipment to help families in situations that they may not otherwise be assisted.
