Anchorage - Hillside Integration Commission for Drainage and Roads

State Funding Requested: \$100,000**House District: Anchorage Areawide (16-32)**

One-Time Need

Brief Project Description:

Mid Hillside and Hillside East road and drainage

Funding Plan:

Total Project Cost: \$100,000

Funding Already Secured: (\$0)

FY2013 State Funding Request: (\$100,000)

Project Deficit: \$0

Detailed Project Description and Justification:

Road and drainage challenges in the Anchorage Hillside demonstrate the need for integrated coordination among the divergent home and property owner governing organizations. This project will provide the seed money for review of organizational structures necessary for proactive and efficient local decision making to redress Hillside roads and drainage, maximize the strength and interdependence of current controls, and identify the organizational structure best suited to coordinate effective solutions to these continuing and escalating needs.

Project Timeline:

TBA

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Hillside
