## **Detailed Project Description and Justification:**

This grant will be utilized to upgrade classroom digital technology -- Purchase replacement laptop computers for individual classrooms. These computers would be used for Response to Instruction interventions (Earobics, Read Naturally, etc.) as well as Larson's Math, Renaissance Math, and Internet research. North Pole Elementary is an Accelerated Reader (AR) school. The students access their AR tests on the computer. Computers are used daily for reading and math interventions, research, report writing and other word processing needs. Students from pre-kindergarten through 5th grade use the computer in their day-to-day classroom instruction.

#### **Project Timeline:**

All equipment will be purchased prior to the end of the 2012/2013 school year (May 2013) and installed and functional prior to the start of the 2013 school year (August 2013).
