AI: Office of Project Management & Permitting  
Intent

It is the intent of the legislature that the Office of Project Management and Permitting in the Department of Natural Resources work with the United States Army Corps of Engineers to establish a statewide wetlands mitigation bank and in-lieu fee program. The department should take into consideration the unique nature of the state's ubiquitous wetlands, as well as past findings of federal government agencies, so a flexible, effective wetlands compensatory mitigation regulatory process can be used throughout the state.
