that would have an annual operating budget no more than 70% of the total Alaska Land Mobile Radio Allocation FY17 Unrestricted General Fund Operating Budget.

Intent

It is the intent of the legislature that the Department of Administration and its partners find an alternate, more efficient and reliable system to Alaska Land Mobile Radio (ALMR) in order to provide emergency communications for communities. The Department shall develop and deliver a plan to the legislature by December 31, 2016. When researching and developing a plan, the Department should consider commercial off-the-shelf systems, as well as all other technologies available in an effort to keep costs controlled. If the Department develops a plan that can effectively replace the ALMR system, the replacement and funding associated with the new system should be included in the Governor's amended budget.
