## Column Definitions

**17Adj Base (FY17 Adjusted Base)** - FY16 Management Plan less one-time items, plus FY17 adjustments for position counts, funding transfers, line item transfers, temporary increments (IncT) from prior years, and additions for statewide items (risk management and most salary and benefit increases). The Adjusted Base is the "first cut" of the FY17 budget; it is the base to which the Governor's and the Legislature's increments, decrements, and fund changes are added.

**House (House)** - The version of the FY17 operating bill adopted by the House Finance Committee.
