Intent

It is the intent of the legislature to allow for a one-time increment funding of MMM&S with the purpose of allowing appropriate time for negotiations between a private entity and the BAC for the lease of MMM&S. This is done with the understanding that the transfer of operations will be finalized prior to FY18 and MMM&S will not be included in the FY18 budget. The Department should issue a request for proposals (RFP) immediately. The RFP should be drafted with the least restrictive terms likely to attract successful bids. The Department should solicit for and consider bids for a lease and for a lease with an option to purchase.
