X X X X

Ap: Medicaid Services

Conditional Language

No money appropriated in this appropriation may be expended to pay for provider rate increases that are the result of an annual inflation adjustment. For purposes of this section, "annual inflation adjustment" means a revision required by regulation to an existing Medicaid payment rate that results in a new Medicaid payment rate that differs from the existing Medicaid payment rate by a percentage value or overall average net change value that is either listed in regulation or listed in the Consumer Price Index for all Urban Consumers, Global Insight's Healthcare Cost Review, or the Medicare Economic Index.

X X

Conditional Language

No money appropriated in this appropriation may be expended for an abortion that is not a mandatory service required under AS 47.07.030(a). The money appropriated for Health and Social Services may be expended only for mandatory services required under Title XIX of the Social Security Act and for optional services offered by the state under the state plan for medical assistance that has been approved by the United States Department of Health and Human Services.

X

AI: Senior and Disabilities Medicaid Services

Intent

It is the intent of the legislature that the level of funding for day habilitation services in assisted living homes be sufficient to provide a "soft cap" on recipients of up to 12 hours of services per week.
