Sec26a Ch17 SLA2012 P179 L1 (SB160) includes an appropriation for expenses related to the sale and issuance of general obligation bonds. This multi-year appropriation expired June 30, 2016. Due to Internal Revenue Service rules related to the timing of expending bonds; and with the Governor's directive to slow down some of these projects in June 2016; \$110 million of the \$449.9 million 2012 general bond authorization remains to be issued. The original amount appropriated for this purpose was \$3,599,200. Expenditures through FY2016 totaled \$583,400.
