The Alaska Technical and Vocational Education Program (TVEP), is funded by 0.16 percent of employee contributions to the unemployment insurance trust fund. The taxable wages collected have declined more rapidly than originally anticipated. A reduction in TVEP authority is required in order to not overspend the fund. This is a new item for FY2018. It was not included in the FY2018 Governor's Budget due to timing of updated revenue collection projections.

The Alaska Technical and Vocational Education Program (TVEP), established under AS 23.15.830, provides non-competitive grants to institutions that are part of a statewide vocational training system. Institutions provide technical and vocational training programs that align with workforce regional demands.

The Department of Labor and Workforce Development's proposal for the TVEP

distribution in the FY2018 Governor's Budget assumed flat TVEP revenue FY2016 through FY2018. There was a carryforward balance from unspent prior year TVEP distributions at the end of FY2016 that was anticipated to be sufficient to cover reduced revenues in FY2017 and FY2018. Actual revenue collections through the first two quarters of FY2017 indicate taxable wages are declining faster than what was anticipated prior to the start of the fiscal year. An overall adjustment of \$1,319.2 is needed, bringing the total available for distribution to \$11,970.1.

The Workforce Development component grants TVEP funding to select institutions prescribed in AS 23.15.835(d). They are as follows:

Alaska Technical Center will receive \$1,077.3, or nine percent, of total receipts available. This decreases the component's authority \$118.7 from the FY2017 distribution level.

Amundsen Educational Center will receive \$239.4, or two percent, of total receipts available. This decreases the component's authority \$26.4 from the FY2017 distribution level.

Illisagvik College will receive \$598.5, or five percent, of total receipts available. This decreases the component's authority \$66.0 from the FY2017 distribution level.

Northwestern Alaska Career and Technical Center will receive \$359.1, or three percent, of total receipts available. This decreases the component's authority \$39.6 from the FY2017 distribution level.

Partners for Progress in Delta, Inc., will receive \$359.1, or three percent, of total receipts available. This decreases the component's authority \$39.6 from the

H DOL 2 - Restore Alaska Construction Academy Funding	Inc	600.0	0.0	0.0	0.0	0.0	0.0	600.0	0.0	0	0	0
Offered by Representative Foster In accordance with legislative intent, the Governor's budget reduced the unrestricted general funds supporting the Construction Academy Training by \$600.0. This is shortsighted given there are already not enough trained Alaskans to meet workforce needs as evidenced by the high nonresident hire rate in these occupations. Restoring this funding is necessary to meet demand for a trained Alaskan workforce. Along with current Construction Academies, this funding still supports construction training at: Alaska Technical Center in Kotzebue \$150.0 Northwestern Alaska Career and Technical Center in Nome \$150.0 Southwest Alaska Vocational & Education Center in King Salmon \$50.0
