	<b>Senate</b> It is the intent of the legislature that the department significantly increase its efforts to reduce, by approximately \$40 million, the state share of Medicaid service costs by managing Medicaid utilization to index with the national average per enrollee cost. In doing so, the department should take into consideration a multiplier to the national average to account for a reasonably higher cost of health care in Alaska.

3	<b>Shared Taxes and Fees.</b> <b>House</b> Sec. 26 (b) The amount necessary, estimated to be \$100,000, to refund to local governments their share of an aviation fuel tax or surcharge under AS 43.40 for the fiscal year ending June 30, 2019, is appropriated from the proceeds of the aviation fuel tax or surcharge levied under AS 43.40 to the Department of Revenue for that purpose.  <b>Senate</b> Sec. 23 (b) The amount necessary, estimated to be \$182,900, to refund to local governments the full amount of an aviation fuel tax or surcharge collected under AS 43.40 in the proportion that the revenue was collected for the fiscal year ending June 30, 2019, is appropriated from the proceeds of the aviation fuel tax or surcharge levied under AS 43.40 to the Department of Revenue for that purpose.											No transaction is associated with this item; shared taxes are "off-budget" in the sense that the State collects certain taxes and fees and forwards the proceeds to local governments or other intended recipients.  The House provision forwards 60% of aviation fuel tax collections at municipal airports to the airports at which the tax was collected (per AS 43.40.010(e)). The remaining 40% is spent on state-operated airports.  The Senate provision forwards 100% of aviation fuel taxes collected at a municipal airport to that airport.  Although pass-through items do not show in Legislative Finance reports of spending, the Senate provision reduces aviation fuel tax revenue available for spending at State owned airports by an estimated \$82.9. 4	<b>Constitutional Budget Reserve Fund.</b> <b>House</b> Sec. 28 The unrestricted interest earned on investment of general fund balances for the fiscal year ending June 30, 2019, is appropriated to the budget reserve fund (art. IX, sec. 17, Constitution of the State of Alaska). The appropriation made in this subsection is intended to compensate the budget reserve fund (art. IX, sec. 17, Constitution of the State of Alaska) for any lost earnings caused by use of the fund's balance to permit expenditure of operating and capital appropriations made in the fiscal year ending June 30, 2019, in anticipation of receiving unrestricted general fund revenue.											Provides for general fund interest payments if money is borrowed from the CBR. No supermajority vote is required.	H or S
