Re: CCS HB 75 -- Operating
Budget
Chapter 95, SLA 1987

Dear Representative Grussendorf:

I have signed CCS HB 75 into law, providing for the operating and loan program expenses of state government in fiscal year 1988. In so doing, I have exercised my line-item veto authority, under art. II, sec. 15, of the Alaska Constitution, to reduce or eliminate a number of appropriations. These line-item reductions or vetoes total \$23.3 million in general fund money, leaving a total of general fund appropriations of \$1.907 billion.

A table showing the details of my veto action, including the reason for each item, is attached. Also attached is a copy of the Department of Law review letter for this bill, discussing the validity, vetoability, and effect of various kinds of items in the bill.

Sincerely,

A handwritten signature of Steve Cowper in dark ink, written over the typed name and title.

STEVE COWPER
GOVERNOR

STATE OF ALASKA
OFFICE OF THE GOVERNOR
JUNEAU

June 17, 1987

Honorable Jan Faiks
President of the Senate
Alaska State Legislature
Pouch V
Juneau, AK 99811

Re: SCS CSHB 127(Fin) --
supplemental appropriations
Chapter 90, SLA 1987

Dear Senator Faiks:

Under the authority of art. II, sec. 15, of the Alaska Constitution I have today vetoed secs. 33, 38, and 39 of SCS CSHB 127 (Fin), a bill that makes supplemental appropriations for fiscal year 1987 and prior fiscal years. The sum of the appropriations in the vetoed sections is \$6,443,815.

Section 33, appropriating to the Department of Education for "multi-handicapped programs," seeks to equalize state funding for handicapped programs operated by Alaska school districts. In the past, money for handicapped programs that are not under contract with the state Department of Education was provided through the foundation formula. During fiscal year 1987, several problems arose, including imposition of the expenditure restrictions made necessary by the drastic decline in world oil prices. The resulting inequities in funding the handicapped programs were resolved by Legislative Budget and Audit Committee allocations, making the appropriation in sec. 33 of this bill unnecessary. The situation has been corrected and made more equitable for fiscal year 1988 in the new foundation formula.

Section 38's appropriation to the Alaska Commission on Post-secondary Education duplicates an appropriation in the budget bill (CCSHB 75), making this appropriation unnecessary. The budget bill's appropriation was made by reference to the fiscal note for SCS CSHB 39(Fin), dealing with student loans and creating the Alaska Student Loan Corporation.

Section 39 of this bill provides another duplication. The 1986 amendments to the foundation program (ch. 75, SLA 1986, derived from the Fourteenth Legislature's CSSB 408(Fin)) contained a technical "glitch." (See, in particular, AS 14.17.031(d) in sec. 5 of ch. 75, SLA 1986.) The shortage caused by that glitch

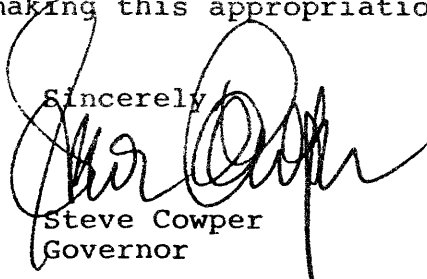

The Honorable Jan Faiks

(which sec. 39 deals with) has already been addressed, and funding has been disbursed to districts, under the "unique and emergency circumstances" account for the fiscal year 1987 hold-harmless needs, thereby making this appropriation unnecessary.

Sincerely,

STEVE COWPER
GOVERNOR

STATE OF ALASKA
OFFICE OF THE GOVERNOR
JUNEAU

June 15, 1986

The Honorable Jan Faiks
President of the Senate
Alaska State Legislature
P.O. Box V
Juneau, AK 99811

Dear Senator Faiks:

I have signed the following bill and am transmitting the engrossed and enrolled copies to the Lieutenant Governor's Office for permanent filing:

HOUSE COMMITTEE SUBSTITUTE FOR
COMMITTEE SUBSTITUTE FOR
SENATE BILL NO. 234
(Finance)

(Making a special appropriation for the
1988 Arctic Winter Games in Fairbanks;
and providing for an effective date.)
Chapter No. 86, SLA 1987

Please note that I have reduced the appropriation for the Arctic Winter Games Host Society by \$50,000. I was extremely disappointed by the budget documentation provided for the appropriation. However, I recognize the importance of the tradition that has developed around the games over the last few years. For that reason and because of the economic stimulation provided by the games, I have signed the legislation.

Sincerely,

Steve Cowper
Governor

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

THE ACT FOLLOWS ON PAGE 1, LINE 10

Approved by the Governor: May 15, 1987

Chapter 9

AN ACT

Approving and ratifying executive restrictions on the fiscal year 1987 operating budget; and providing for an effective date.

* Section 1. LEGISLATIVE FINDINGS, PURPOSE, AND INTENT. (a) The legislature finds that

(1) estimated receipts and surpluses will not be sufficient to cover appropriations for fiscal year 1987;

(2) in response to the anticipated deficit, Governor Sheffield issued Administrative Order Number 90 on August 22, 1986, which restricted the rate of obligation or expenditure of a number of appropriations under the authority conferred by AS 37.07.080; Governor Cowper made a similar but more limited reduction in Administrative Order Number 91 on December 8, 1986;

(3) the orders were in response to a fiscal crisis that was facing the state;

(4) the orders have been challenged in court by the Fairbanks North Star Borough and others, and the supreme court has invalidated those orders;

(5) if the restrictions on the one-year appropriations for fiscal year 1987 in Administrative Orders Numbers 90 and 91 are overturned in full or in part, the consequences would impede rational state fiscal management.

(b) It is the purpose of this Act to approve and ratify the orders

Chapter 9

1 and the actions taken by the governor and the executive branch under those
2 orders and to remove any uncertainty about the status of the money with-
3 held, insofar as the orders concern the restrictions on one-year appropria-
4 tions for fiscal year 1987.

5 (c) In approving the restrictions on the one-year appropriations for
6 fiscal year 1987, the legislature intends that the unobligated portion of
7 those appropriations restricted by Administrative Orders Numbers 90 and 91
8 lapse in accordance with AS 37.25.010.

9 * Sec. 2. APPROVAL AND RATIFICATION. The actions of the governor and
10 the executive branch in restricting one-year appropriations for fiscal year
11 1987 by issuing and implementing Administrative Orders Numbers 90 and 91 as
12 reflected in the budget workbooks submitted to the legislature under AS 37.-
13 07.040 and entitled "Operating Budget FY 87 Revised" are approved and
14 ratified.

15 * Sec. 3. SUSPENSION OF OTHER LAW. The provisions of sec. 2 of this
16 Act are effective notwithstanding the provisions of any other law, includ-
17 ing but not limited to AS 37.05.315, 37.05.316, and 37.05.317.

18 * Sec. 4. This Act is retroactive to July 1, 1986.

19 * Sec. 5. This Act takes effect immediately under AS 01.10.070(c).
